

Sacramento Valley and Redding Area Groundwater Sustainability Agencies

Basin colors are randomly assigned by GSA Name to help show areas where multiple GSA notifications have been submitted by the same GSA (thereby having the same POC information). Please see the attached table for contact information.

Map created from B118 Basin Boundaries published 02/11/2019 and exclusive GSA information current as of 09/12/2019. This map shows all GSAs on one page but there are four additional maps in this series that show GSAs by areas. Please see the attached chart for a key showing map label and their corresponding GSA and Contact Information.

For the most current information, please see the SGMA Portal (<https://sgma.water.ca.gov>). To update your GSA POC details, please contact Mark Nordberg (Mark.Nordberg@water.ca.gov).
